A BRAND NEW CONCEPT IN WINDOW FURNISHINGS

Veri Shades® are a revolutionary window furnishing range that combines the sophisticated elegance, softness and style of curtains with the versatility of blinds.

Everyone loves curtains, they're elegant, soft and stylish - but they're either open or closed. Veri Shades® have the feel of curtains with the versatility of blinds. The individual curved fabric folds offer a soft and stylish look and feel.

EASY TO OPERATE

The twist wand operation is quick, simple and safe.

HIGH QUALITY FABRICS

The 100% polyester fabric has an ultra violet protection factor of 50+ which is perfect for protecting your home.

EXTENSIVE OPTIONS

Mix fabric colours. Wide range of matching track colours. Fire retardant fabric option available.

SOFT AND SILENT

With no cords, weights or connecting chains, Veri Shades® are silent, even in a breeze.

CHILD & PET FRIENDLY

Veri Shades® have no cords so they're safe for kids and pets and they don't get tangled.

VERSATILITY

Walk through the shades anywhere when either open or closed.

FUNCTIONALITY

The unique patented design allows the ability to have translucent or opaque fabric at the turn of a wand.

EASY CARE FABRIC

Veri Shades® are made from easy care fabric that is resistant to fading and soiling.

MOTORISED OPTION

Motorised options provide a great home automation feature.
