Maximum size (mm)
5,800(W) x 4,000(D)
Total blind size
cannot exceed 14m²

Zipscreen is the ultimate external screening solution for any outdoor area or window.

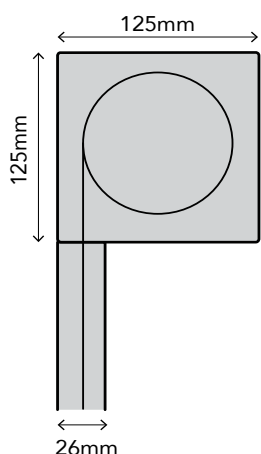

Zipscreen is the perfect choice for entertaining outdoors. Ideal for pergolas, verandas and balconies, Zipscreen turns your alfresco area into a comfortable new room, offering protection from the elements without interrupting your view.

Also ideal for home and office windows, Zipscreen serves as a sleek, secure and durable alternative to traditional awnings and outdoor roller shutters.

Suitable for both residential and commercial applications, options include a full or semi enclosed box, a full or semi fascia, a range of colours and various controls to suit your individual requirements. Easy to operate, your Zipscreen system can be opened and closed manually or motorised, offering control at the touch of a button.

Suitable for a wide range of conditions, Zipscreen is the perfect solution for any outdoor residential or commercial application.
